

Hello Grammar #2 parents,

Did you know that along with the Boxtop program you can support our school without doing much of a change at all? By utilizing Amazon Smile you can do your normal shopping online and we get small donations. By utilizing Smiths for your shopping, you can set the school and we can get some help with your everyday food shopping, set it once and it will happen automatically. We also have the ability to get a small donation when you use the Express Car Wash. Enter 7161 under the promotions tab. Unfortunately Railey's no longer offers school support.

To use Amazon Smile you need to go to <https://smile.amazon.com> or download the Amazon Smile app. Link to your normal amazon account and find our Grammar #2 school. On the webpage it will say supporting right under search bar and you can click on that and will drop down where u can select or change. Then you search can for PTA Nevada Congress Elko, it will pull up all Elko elementary and intermediate schools. Find PTA Nevada Congress Elko Grammar School 2 and select it as your school. For more information about Amazon Smile and for help you can visit <https://smile.amazon.com/gp/chpf/about>

Sign into your smiths account and then go to your name in the right and then my account. Once in on the left where it says my account scroll down to Inspiring Donations or follow this URL.
